RECOMMENDATIONS FOR AWARDS TO WESTERN DEBATERS

1. That any student who has participated during the season, to the satisfaction of the Director of Debating, in at least one non-decision intercollegiate debate, but in no decision intercollegiate debate, be awarded a printed certificate. See sample attached. A supply of these certificates is already on hand.

2. That any student who has participated, to the satisfaction of the Director of Debating, in at least one decision intercollegiate debate, and in as many more as he was requested by the Director to participate in, be awarded a W, five inches high, red with a black border, being the "One-Color" Chenille Letter" described in the Awards Catalog No. 1 of Lowe & Campbell, last page before inside back cover (or an equivalent letter from another supplier). This letter is to have attached to it the metal gavel insignie pictured on the inside back cover and designated "debate." The letter is also to have attached to it the metal numeral "55" as pictured near the bottom of the inside back cover.

Note---In the future a debater fulfilling the conditions for this award for the second, third, or fourth year would receive only a new numeral to be attached to his letter.

3. That items mentioned under 1. and 2. above be furnished by the College.

4. That exclusive authorization be granted to students receiving letters under 2. above to purchase and to wear Pin No. P797, in the same catalogue with guard chain and bar, the bar to bear the lettering "WESTERN."

5. That the award certificate finished by the manufacturers with letters, be engrossed locally with the following inscription:

"The owner of this certificate, along with other persons imilarly qualified, has the exclusive right to wear the official Western debaters' pin."

6. That in order to get the sale of the debaters' pins started the College pay for the WESTERN die (listed at \$9.00).
